### [MYTH 7](#)

Myth .. It is unfair in singles match play to require the lower handicap player to concede full handicap difference to his opponent. Three-quarters of the difference was more equitable. Numerous researchers and golfing bodies including the United States Golf Association, English Golf Union and Scottish Golf Union have investigated the relative merits of full versus three-quarters difference in handica...

### [MYTH.DOC](#)

Seven Popular Myths About Hazmat Compliance By Jim Powell, President, TDG This article is originally part of a presentation made by our company at an IATA Dangerous Goods Conference. In the years since this conference, these myths have not faded away they've actually gained credibility. They may sound reasonable, yet they are all untrue. I hope that this quick list of the more common misconceptions m...
